NOTICE TO SHAREHOLDERS of the sub-funds listed under Appendix 1 (the “Sub-Funds”)

The board of directors of the Company (the “**Board**”) hereby informs the shareholders that the index administrator Bloomberg Index Services Limited (the “**Index Administrator**”) has decided to modify the methodology of the fixed income indices of the Sub-Funds (the “**Indices**”) and that, consequently, the descriptions of the relevant Sub-Funds have been amended, where relevant, in order to reflect the latest evolution of the Indices’ methodology (the “**Update**”), that took effect, following the September 2026 Index review, as from 30 September 2026.

The Index Administrator has further decided to update the minimum amount outstanding thresholds for Euro-denominated Treasury bonds to be eligible for the Indices from EUR 300 million to EUR 1 billion.

For the avoidance of doubt, the section “Index Composition” of the description of the sub-fund Amundi Global Aggregate Bond 1-5Y ESG has been clarified to take into account the abovementioned new threshold applicable to the Euro-denominated Treasury bonds exposure of these sub-funds’ indexes.

The changes described above do not represent a change to the investment objective, nor a material change to the investment policy of the Sub-Funds. The other characteristics of the Sub-Funds remain unchanged.

As a consequence of this Update, the Prospectus will be amended accordingly.

The updated Prospectus will be made available by the Management Company upon request and on the following website: www.amundi.com and www.amundi-etf.com on or around the date of the next Prospectus.

The prospectus, the key information documents, the articles of association as well as the annual and semi-annual reports may be obtained free of charge from the representative in Switzerland.
