(the « **Company** »)

Luxembourg, 19 October 2026,

NOTICE TO SHAREHOLDERS of the sub-funds listed under Appendix 1 and 2 (the “Sub-Funds”)

Dear Shareholders,

The board of directors of the Company (the “**Board**”) hereby informs the shareholders of the Sub-Funds that the index administrator Bloomberg Index Services Limited (the “**Index Administrator**”) has decided to modify the methodology of the fixed income indices listed under Appendix 1 (the “**Indices**”) and that, consequently, the supplements of the sub-funds listed under Appendix 1 have been amended (the “**Modifications**”) in order to reflect the latest evolution of the Indices’ methodologies (the “**Update**”), that took effect on the 14th of October 2026 (the “**Effective Date**”).

Until the Effective Date, the constituents of the Indices were priced using a mix of bid and mid prices, depending on characteristics such as currency, region, or asset class. The Update consists of a change in the pricing methodology of the Indices. As from the Effective Date, the Indices’ constituents will be priced by using bid-side pricing instead of mid-side pricing to support further consistency across market sectors.

In addition, the index pricing methodology wordings of the Sub-Funds listed under Appendix 2, although not affected by the Update, will be aligned throughout the Prospectus for harmonization purposes (the “**Clarifications**”).

The Modifications and Clarifications do not represent a change to the investment objective, nor a material change to the investment policy of the Sub-Funds. The other characteristics of the Sub-Funds remain unchanged.

As a consequence of this Update, the Prospectus will be amended accordingly.

The updated Prospectus will be made available by the Management Company upon request and on the following website: www.amundi.com and www.amundielf.com on or around the date of the next Prospectus.

Yours sincerely,

The Board

Appendix 1: List of sub-funds and related indices impacted by the update of their index methodology
