“Amundi ELTIF Private Investment Capital Opportunity” (the “Sub-Fund”)**

Capitalized terms not defined herein have the meaning as set forth in the prospectus of the Fund

Dear Shareholder,

We are writing to advise you as a shareholder in the Sub-Fund that the board of directors of the Fund (the “**Board**”) has resolved to update the investment strategy’s section of the Sub-Fund as further detailed below.

Article 1 of the regulation (EU) 2015/760 of the European Parliament and of the Council of 29 April 2015 on European long-term investment funds, as amended (the “**Regulation**”), clarifies that the objective of the Regulation is to facilitate the raising and channelling of capital towards long-term investments in the real economy rather than toward European long-term investments.

In light of the above, it has been decided to amend the supplement for the Sub-Fund to update obsolete disclosures in line with Article 1 of the Regulation, as amended and reflected below.

“Following the Ramp-Up Period, ~~at least~~ 50% of the capital of the Sub-Fund ~~is expected to~~ ~~will~~ be invested in Qualifying Portfolio Undertakings established in Member States.”

For the avoidance of doubt, this update will not impact any other features of the Sub-Fund, including its investment objective which remains unchanged.

The above-mentioned update will be reflected in a new version of the Prospectus to be dated May 2025

Luxembourg, 23 May 2025

The Board of Directors
